

INTERNATIONAL JOURNAL OF FOOD MICROBIOLOGY

Special issue” Seventh International Symposium on Sourdough: Health & Wealth through sourdough innovation”

Submission Guidelines for Authors:

Authors are invited to submit an original manuscript or review paper for publication in the *International Journal of Food Microbiology* for the Special issue ‘**Seventh International Symposium on Sourdough: Health & Wealth through sourdough innovation**’.

Please refer to the journal's Guide for Authors for specific advice on how to prepare a paper (<http://www.elsevier.com/locate/ijfoodmicro>). Papers must be submitted electronically via the Elsevier system (EES) for the journal at <http://ees.elsevier.com/food> beginning **September 1, 2017**. To ensure that all manuscripts are correctly identified for inclusion into the special issue, it is important to select “**SI: Sourdough for Health**” when you reach the “Article Type” step in the submission process.

Review articles are particularly welcome and any inquiries regarding the content of papers should be submitted to Dr. Emanuele Zannini (e.zannini@ucc.ie) or Prof. Marco Gobbetti (Marco.Gobbetti@unibz.it).

Special issue Timelines:

September 1st, 2017 : Portal open for submission

June 6th, 2018 : Deadline for submission

September 2017 – April 2018: Period of peer-review process

October 2018 : Expected Publication
